

## DOs & DON'Ts

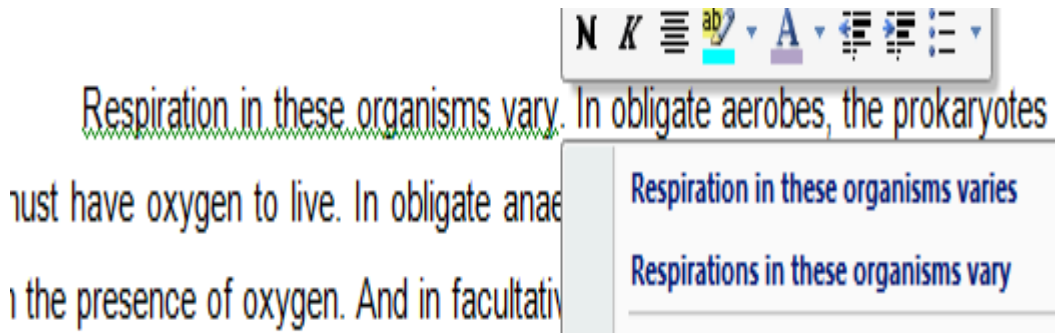

**DON'T use bibliography in Spanish and  
DON'T use translators.**

**TYPE <http://www.google.com/ncr> to get  
only sites in English**

**DON'T trust all kind of sources. Use  
university or teachers' sites or sites which  
are especially related to your topic.**

**USE a spelling and grammar checker in  
British English (word, open office or  
<http://spellcheckplus.com/>)**

**MAKE any necessary corrections. Spelling  
and grammar checkers are really helpful  
but think for yourself.**

**Avoid mistakes, especially in headlines and presentations; they are more visible**
